

God's Garden

Verse 1

God plants seeds of love in me,
Watch them grow so joyfully.
Water, sunshine, day by day,
Helping me to grow His way!

Chorus

Grow, grow, grow!
Seeds of love will show!
Peace and joy and kindness too,
God makes all things new!

Verse 2

Tiny seeds of faith take root,
Growing strong and bearing fruit.
Love and laughter, hope and cheer,
God is with us, He is near!

Chorus

Grow, grow, grow!
Seeds of love will show!
Patience, kindness, gentle too,
God makes all things new!
