

SCRUB -A-DUB

[Intro, Bouncy Ukulele]

Woof woof! Time to get clean!

Let's go, let's go — to the grooming machine!

[Verse 1]

My puppy was muddy from nose to tail

Rolling in puddles, wagging her trail

Sticky and icky, oh what a sight!

Off to the groomer to make it all right

[Chorus, Happy Vocals]

Scrub A Dub (Goes With Lexi's Bubble Trouble Book)

Scrub-a-dub, scrub-a-dub, bubbles in the tub

Snip snip, trim trim, gentle little rub

Now she's shiny, fresh, and new

Jesus makes us clean on the inside too!

[Verse 2]

The groomer washed every ear and paw

Brushed out the knots, gave a round of "awww!"

A bow on her collar, a sparkle in her eye

She looks like a princess, oh my oh my!

[Chorus, Clapping Hands Added]

Scrub-a-dub, scrub-a-dub, bubbles in the tub

Snip snip, trim trim, gentle little rub

Now she's shiny, fresh, and new

Jesus makes us clean on the inside too!

[Bridge, Gentle Acoustic & Soft Harmony]

Just like dirt on a pup can go

Jesus washes our hearts, you know

He loves us deep, He makes us bright

Clean on the inside, walking in light

[Chorus, Full Instrumentation with Joyful Lift]

Scrub-a-dub, scrub-a-dub, bubbles in the tub

Snip snip, trim trim, gentle little rub

Now she's shiny, fresh, and new

Jesus makes us clean on the inside too!

[Outro, Whispered Vocals + Ukulele Pluck]

So next time you get sudsy and sweet, Remember His love makes you truly complete!
